

# Chris Tanner Language and Communication Training

## Online English Courses for Professionals

**\*Skype, Google Hangout, Zoom, Microsoft Teams etc.**

- Take a course wherever you are in the world
- High quality one-to-one courses with a professional, qualified native speaker
- Trainer experienced in one-to-one training techniques online
- In language & communication training for over 30 years
- Customized feedback on your speaking and writing during the lesson followed by detailed, emailed feedback after the lesson
- Course based on your work and specialized to your needs

### Course times

- Each lesson between 60–90 minutes
- Choose your lesson times (including evenings and weekends)
- Course plans typically 10–30 lessons (1–5 lessons weekly)
- Postponing a course will not lose you any money – just fix a new time

### Our courses are different

You can always find online English organizations offering lessons at low prices, but these are usually given by non-native trainers who are underpaid and underqualified. Other organizations offer English lessons with native speakers at reasonable prices, but in almost all cases, these are conversation classes with no distinctive method or structure.

### Cost

Cost includes all course materials and post-course feedback.

10 lessons at 50 Euro per hour = 500 Euro  
20 lessons at 43 Euro per hour = 860 Euro  
30 lessons at 40 Euro per hour = 1200 Euro

Courses are paid for in advance.
